

# Az Cardinals Flag Playbook

## Playbook Overview

- We have 16 plays this season, along with their reversed versions.
- I don't look for the long bomb on every play, just positive yards.
- There will be plays trick run plays.
- We will use the Run/Pass Options on these existing plays.
- If changes are made to the playbook, including the depth chart, I will let everyone know right away so you can download the newest copy.
